102 Having Fun with Split 9-patch
Ruthann Bengé

All Levels
MACHINE; Piecing

From a distance, the very easy Split 9-patch block is similar to the log cabin, since half the block is light and the other half is dark. Just by rotating the blocks to change the location of light and dark fabrics, you may have several layout choices. How many ways are there to make a half-square triangle? Several methods will be taught so we can find which one is best for you. Basic cutting skills will be reviewed.

A great class for a beginner, or any quilter with boxes of scraps. Keep adding rows all the way to a king size. The teacher will help you with sizes and fabric requirements. Pattern fee: \$5.

106 Let's Solve A Mystery!
Rita Fishel

All levels
MACHINE; Piecing

By following the clues step-by-step, Detective Rita will help all the sleuths solve the perplexing Mystery at Cedar Lakes Retreat! Join Rita for some fun and fellowship and rousing laughter! Your reward for solving the mystery will be a BEAUTIFUL 60" x 70" lap quilt top!! Pre-cut kit, complete with step-by-step color clues and binding to make a fabulous 60" x 70" lap quilt is \$85 + tax*. Sleuths will work with Rita's staff via text or email to get photos of fabrics selected by their request. Each kit is approved by sleuth before cutting to insure 100% satisfaction!

107 Beautiful Radiance
Noella Kalal

Confident Beginner
MACHINE; Piecing

This is a simple yet elegant looking quilt. It is a great quilt for a confident beginner. There are no special rulers or tools needed. You can make it using 2½" strips & background. A precut roll of 2½" strips will give you a scrappier quilt. A two-color quilt you would also be beautiful! All you would need is yardage. You can choose between a lap size (62" x 74") or a full / queen size (74" x 98"). Pattern fee: \$9.

MON. & TUES. - Session 1 Two-Day Workshops 100 series

108 Your Time 1 - Mon/Tues
Fran Kordek

All Levels
Your Project; Your choice!

This studio time is intended for those who would appreciate the opportunity to get away, be with other quilters, and have a chance to work on their own project. Take this opportunity to finish one of your old projects rather than start a new one - a wonderful eye of an experienced instructor. The session is two days long, Monday & Tuesday. Students, your project(s) and any hand, machine patterns and other required tools. No pattern fee.

110 Machine Quilting with a Walking Foot
Debby Lee

All Levels
MACHINE; Quilting

It's time to get that walking foot out of the ditch, take it for a drive and see what that baby can do! Walking foot quilting is often limited to the ditch. And viewed as the "lesser sister"! Oh, my. Poor baby. But like any other quilting method, walking foot quilting requires practice. The resulting quilting designs will be beautiful and complementary to the quilt top. We will learn; Lines. Channels. Matchstick. Shattered. Crosshatch. Radiating. Diamonds. Boomerang. Curves. Decorative stitches. Instruction and pattern book: \$28.

111 Modern Snowflake
Mindy Marik

All Levels
MACHINE; Piecing

This modern 2-color quilt is strip-pieced and easier to construct than it looks. Students will have several layouts and quilt sizes to choose from. Putting blocks on-point can be a challenge for most quilters, but after this class, you will no longer fear on-point layouts. Learn how to confidently calculate the size of setting triangles and how to work with bias edges. This quilt is easy to construct and very forgiving for new quilters. There are no points to match, and results are terrific! Pattern fee: \$10.

114 Strip Tubing
Beth Sidley

All Levels
MACHINE; Piecing

Enjoy the revival! Strip Tube quilts are fast, fun and there are so many different designs to make. Join Beth in this 2-day class that is jelly roll friendly or bring your stash! You will be astonished as the different patterns develop right before your eyes! Ruler and pattern fee: \$20.

116 “Pepperdish” or “Cactus Rose”
by Judy Niemeyer
Sue Wilson

Confident Beginner
MACHINE; Paper-Piecing

Pepperdish and Cactus Rose are “sister quilts”. Pepperdish is a wall hanging (42” x 42”) based around an antique quilt pattern called the “Whig Rose”. Cactus Rose is a larger quilt (70” x 70”) created from four Pepperdish quilts. It can also be expanded to a quilt. Both quilts include *optional* applique. With the applique either quilt offers ample space for creative quilting! This class is designed for confident quilters as well as “Judy” fans who have created many of her quilts. All of Judy’s techniques will be demonstrated, including speed cutting of papers, speed cutting of fabric, foundation paper piecing, chaining, applique using laser cut templates or self-drawn templates, hand and machine applique techniques. Patterns can be ordered from your local quilt shop or at quiltworx.com: “Pepperdish” pattern approximately \$31 (42” x 42”) or “Cactus Rose Pattern” pattern \$48 (70” x 70”).

207 Tulip Tango by Fun & Done
Noella Kalal

Confident Beginner
MACHINE; Piecing & Quilting

Update a classic tulip block with the Fun & Done quilt-as-you-go technique. When you take this workshop, not only will you make a beautiful Tulip block, you will learn a quilt-as-you-go technique that is done entirely by machine. The quilting is completed as you construct each block. There are several sizes to choose from, Runner, Crib, Lap, & Twin. Pattern fee: \$9.

208 Your Time 2 - Wed/Thurs
Fran Kordek

All Levels
HAND or MACHINE; Your choice!

This studio time is intended for those who would appreciate the opportunity to get away, be with other quilters, and have a chance to work on their own project. 210 Machine Quilting; Let's Use Stencils!
Debby Lee

All Levels
MACHINE; Piecing & Quilting

Do you regularly fall back to your same stippling motif? Here is where stencils can come to the rescue! Learn all the tips and techniques for doing free-motion with stencils! You will discover that the quilting is easier too – with a line to follow! Some stencils even have a small diagram printed on it to show us the best path. We will begin by piecing a very simple, two-color, Double Nine Patch quilt top. 45"x45" w/ border. Then, we will layer it and mark it with 3 different prechosen stencils and quilt it! You might even get the binding on too! Supplies fee: \$20 includes the pattern and 3 stencils.

212 Impatiens Petal Placemats
Laura Nolletti

Confident Beginner
MACHINE; Paper-Piecing

This beautiful pattern uses a paper-piecing technique to make the five petals for each of four placemats. Curved piecing with clearly marked registration points allow the placemats to be assembled with confidence. It is your choice to make all the same or four coordinated placemats. This project is fat quarter friendly. Quilting suggestions will be demonstrated. Pattern fee: \$31.

213 Diamonds in the Sky
Beth Sidley

All Levels
MACHINE; Piecing

Diamonds in the Sky is a brilliant high contrast quilt. The Corner Beam blocks used throughout the design give you an alternating diamond illusion that simply radiates beauty. This project can be made with a medley of bright fat quarters or you could use 6" strips or scraps of bright fabric you've already got to make this dynamite stash-buster quilt! Pattern and ruler fee: \$30.

215 Focus on Judy Niemeyer
Sue Wilson

Confident Beginner
MACHINE; Paper Piecing

Judy Niemeyer's spectacular paper pieced quilts are heirlooms that deserve to be finished! Have you begun to make one, but got distracted and never had the opportunity to complete it? Here's your chance! You can bring any "Judy" quilt to this two-day class and receive assistance from an experienced quilt instructor... or you can pair this class with the one held immediately before this class and continue to work on your Pepperdish or Cedar Lakes. **Full** For the workshop, students must contact Sue to let her know the name of the quilt they plan to complete and she will be fully prepared to help you through to the end! No additional pattern fee; workshop requires a partially completed JN project.

MON. - THURS. - *Four-Day Workshops 400 series*

401 Studio Time / Tranquility
Cindy Casciato

All Levels
MACHINE or HAND; Your choice!

Welcome to Studio Time! This class will provide you with an opportunity to finish some projects that you already have underway or you may choose to make the studio project called "Tranquility with Jelly Rolls". Discover how to make half-square triangle blocks from jelly roll strips, into rectangles. We will make these fun and exciting blocks with the new Modern Triangle Triangle tool. Bring your strips and rectangles pre-cut to class and you will be sewing right away. You will use the tool in class to make all your blocks. This triangle tool makes half-squares from 1½" to as big as 7½". Once you try this method from rectangles you will never go back to squares. The cost of the tool is \$15. Please feel free to try it before you buy it. The pattern containing multiple sizes for the quilt is \$10.

402 Transfer Paints with Botanical Elements
Tone Haugen-Cogburn

Confident Beginner
MACHINE; Painting, Embroidery, & Quilting

Discover a different kind of paint for fabric. Transfer paints rely on heat to bond with synthetic fibers. They can be layered to look like watercolor wash or applied in more defined shapes. Used on synthetic fabrics like polyester or poly/cotton blends, brilliant colors result. Textured fabric like lace will produce textured pattern. Try some small projects with botanical elements, creating a collection of unique samples, as a starting point for more resolved design opportunities. In this workshop, we will work on small projects as well as a larger wall hanging. We will also discuss and demo hand embellishment and machine quilting to enhance the designs. Be ready for some surprising results. Kit fee: \$25

403 Giant Dahlia
Linda Miller

All Levels
MACHINE; Piecing

Learn to create a stunning Giant Dahlia quilt top. Finished project measures 60" square, ready for borders, or a great size for a wall hanging. Precision acrylic templates by Marti Michell and supporting blender fabrics will be available for purchase. We will discuss in detail the precision cutting of your fabric and together we will get it all cut for assembling. We'll explore how to successfully match the points of the gentle curved pieces and see the arcs of the Dahlia come alive. We'll talk about Linda's unique approach to fussy cutting, and how it can add to a Dahlia's finished appearance, comparing examples in class of finished projects. There are 9 pattern pieces of varying sizes in a Dahlia, so be sure to bring enough fabric! Pattern fee: \$10. Template set, if needed; \$35.

406 Tiptoe Through the Tulips
Mary Lou Wright

All Levels
MACHINE; Piecing

Popular from the 1930's, Farmer's Daughter quilts show a basic 9-patch block in the middle with star points on 4 corners of a 10" square block. This is an easy machine pieced pattern that is challenging for beginners and fun for intermediates as well as advanced who may explore block adaptations etc. It's a great quilt for yardages, jelly rolls or scraps! The construction includes squares, half-square triangles and rectangles. Demos will show techniques for half-square triangles, focused on sharp points and continuous line prairie points. Mary Lou will demo her design of a pistil for each flower (corner stars). Choose sashing or alternate plain block setting. Continuous prairie points technique is used between inner and outer borders. Leave stress behind and enjoy this class! Pattern fee: \$7.
